**INFORMATION DISCLOSURE STATEMENT
CITATION UNDER 37 C.F.R. § 1.97**

Sir:

Attached is a list of documents on form PTO-1449 along with a copy of any cited foreign patent documents and non-patent literature documents in accordance with 37 CFR 1.98(a)(2).

It is requested that the Examiner consider these documents and officially make them of record in accordance with the provisions of 37 C.F.R. § 1.97 and Section 609 of the MPEP. By identifying the listed documents, Applicant in no way makes any admission as to the prior art status of the listed documents, but is instead identifying the listed documents for the sake of full disclosure.

Applicant notes that each item of information listed on form PTO-1449 was cited in a communication from a foreign patent office in a counterpart foreign application.

It is our understanding, which is based solely on the translated abstracts and the Japanese examiner's characterization of the references, that the references do not teach or suggest a system and method of transmitting a hold command associated with a physical goods package received at a first location, moving the package to an intermediate location and holding the package pending the issue of a release command by the system, whereby the release command is in response to verification of payment by the buyer into an escrow account. In fact, referring to the enclosed translation, the Japanese examiner particularly characterized the JP 2001-175743 reference: "[u]pon receiving the notice

payment confirmation, the seller makes shipment to the purchaser” Moreover, with respect to the JP 2001-195466 reference, the abstract describes a process in which a distribution company is requested to transmit merchandise after the purchase price is received in a depository account associated with an intermediary. Accordingly, Applicant does not believe the references teach or suggest the claimed invention.

In addition, Applicant is submitting two references (Westrope and Cassidy) that were previously submitted, but that may not have been signed off by the Examiner.

Respectfully submitted,
